## Personalize Your Gift Basket

Not only do we have the most delicious Amish foods and baked goods, we also have a professional graphics team ready to personalize your special gift basket.

### Your Personal Message

Whatever special message you want delivered, our team will create that message right onto your gift basket. You of course still have the option of adding a card with an additional message should you choose.

### Business Personalization

**Employees** now more than ever have stepped up to answer the call. Show them and your **new customers** just how much you appreciate them with this personalized gift basket.

## Business Gift Baskets

If you are an **Employer** looking to thank your **customers**, and your **employees**, we have the perfect way to do that.

### Thanking Those Special Employees & Customers

I'm not sure if there has ever been a time like the present to thank our employees and customers. Employers understand how a special gift basket, personalized just for them, can help morale, increase work effectiveness, and increase referrals to your business.
